# ANNUAL REPORT.

*To His Excellency, the Governor of the Commonwealth of Kentucky, and to the General Assembly :*

It is our sad duty to record the departure from his work here of our illustrious coadjutor, the Honorable Albert S. Willis, at Honolulu, January 6, 1897. The Board was convened January 15th, and the following action taken :

In the death of the Honorable Albert S. Willis the trustees of the American Printing House for the Blind mourn for a friend whose companionship was personally dear to every one of them. They grieve for the loss of a citizen who always used his best efforts to increase the prosperity of his city and his State and to publish their fame abroad, and who represented them worthily and efficiently many years in Congress.

They deplore, together with the whole country, the untimely loss of a statesman whose pure and lofty character, whose wide reputation for integrity, prudence, and fair-mindedness commended him to the Chief Executive of our country as one pre-eminently fit to manage the most delicate affairs of national diplomacy, in which work he won golden opinions from all.

But they especially lament the loss of one peculiarly identified with the education of the blind, who, by his efforts while in Congress, secured a national endowment for printing books for the blind, which, since 1879, has amounted to \$170,000, and by its potent influences has revolutionized the methods of the education of the blind in this country, and has immeasurably increased their opportunities for happiness.

In memory of this dear associate, this public-spirited citizen, this wise legislator, this able statesman, this noble philanthropist, and this humble Christian, they desire to place on record their appreciation of his character, and to tender to the nearer circle of his immediate family their tenderest sympathies.

It was voted that a copy of the record of this action of the board be embossed in raised letters for the blind, be suitably bound and cased and sent to his family, and that the secretary procure a life-sized portrait of Mr. Willis to be preserved in their archives.

During the year ending June 30, 1897, the American Printing House for the Blind has distributed 170 volumes and furnished various articles of apparatus for the instruction of the blind to blind persons in the State, and to the Kentucky Institution for the Blind.

The Society for Providing Evangelical Religious Literature for the Blind, whose managers are Right Rev. O. W. Whitaker, D. D., President, and George D. Boardman, D. D., of Philadelphia; Talbot W. Chambers, D. D., and William B. Wait, Superintendent of the New York Institution for the Blind, Prof. R. E. Thompson, D. D., of New York; R. S. Storrs, D. D., of Brooklyn, and Bishop Cyrus D. Foss, D. D., Vice-President, has continued the Publication of the Sunday School Weekly through the American Printing House for the Blind. An edition in Roman or Line letter, also one in New York Point, has been published regularly. This publication contains the International Sunday School Lessons; and at the suggestion of Mr. H. L. Hall, the agent and manager of the Society, the lessons for the vacation have been supplied to the various institutions in advance, so that copies could be distributed to the pupils, in order that they might attend their local Sunday Schools with well prepared lessons, and keep up regular religious study during the summer vacation.

The New York Institution for the Blind has, as usual, used its quota under the direction of Mr. Wait in preparing and Publishing music in point notation.

All of which is respectfully submitted.
